

REFUND POLICY

Bicycling Western Australia Inc. operates a 'no refund' policy.

Before registering for an event carefully review the event details.

Bicycling Western Australia does not refund registration fees where the Rider decides they no longer wish to attend, or is unable to attend the event, as a result of any change in personal circumstances including, but not limited to, medical grounds.

If the event takes place then there is no right to a refund, including where a Rider cannot or chooses not to attend because of adverse weather conditions.

In the event that Bicycling Western Australia does issue a refund, a processing fee may be charged.

Transfers

A Rider may transfer his/her registration for the ride to another Rider.

A request for a transfer must be received in writing by Bicycling Western Australia before the close of registrations for the event and must include all relevant details of the transferee/Rider.

To qualify for a transfer, the cancelling Ride Participant must supply Bicycling Western Australia with the new Ride Participants details at the time of the transfer.

It is the responsibility of the Rider to recover any monies from the new Rider.

In the event that Bicycling Western Australia approves a transfer of registration or issues a refund to the Rider Bicycling Western Australia may charge a processing fee.
